READING HOSPITAL SCHOOL OF HEALTH SCIENCES
NURSING PROGRAM
POLICY NO. 500

SUBJECT: Capital Budget Request Form

Responsibility of: Program Director
Originated: August, 2008 Revised: February, 2013 Reviewed: February, 2013

Purpose
To provide each faculty member a means of input into the development of the Capital Budget

A capital budget item is anything that costs more than $2000.00

Procedure
Each fiscal year the nursing program is required to submit a list of our educational needs for the next year. This may include items such as:

- new equipment
- materials
- tools
- computers

Use the Capital Budget Request Form to submit your requests and include the following:

- explanation of why the item is needed
- how often item will be used per year
- how many courses will use item
- does the item require special in-service instruction
- will there be a cost to maintain the item
- if so, is a service contract available
- picture - if possible

Prioritize the list, if making more than 1 request

The request must be submitted to the Program Director by January 25.
